

INVITATION

**to the Bavarian and Hungarian Sustainability Conference & online B2B session:
The impact of sustainability and climate change on Bavarian and Hungarian businesses
Powered by the Planet Budapest 2021 and the Consulate General of Hungary in Bavaria**

The aim of the event is to promote sustainability and environmental protection to help businesses to meet climate targets. **The plenary session will be followed by online B2B meetings**, where Bavarian and Hungarian companies will have the opportunity to meet and discuss possible cooperation. Participants will also be informed of the actions governments, and businesses take to maintain a more sustainable supply chain. Join us and learn more about the Planet Budapest 2021 Sustainability Expo and Summit that is one of the most significant events dedicated to sustainability in Central Europe. The event will be held online and we offer everyone the opportunity to follow the event **free of charge, but subject to registration**.

Date: April 20. 2021

Time plenary sessions: 10:00 – 11:45

Time B2B meetings: 12:00 – 14:00

Language: English
